48 1/4" Mega Top Salad Sandwich Prep Table

Model: PLM-S48KS

- Tested to NSF Standard 7 requirements for open food storage.

- Interior cabinet is full stainless steel, floor with coved corners.

- Exterior cabinet construction consists of full stainless steel front and sides.

- 1/6 size 4" clear Lexan pans included.

- Added space allows for extra rows of pans.

- Full length, heavy-duty 5/8" thick cutting board is included.

- Electronic thermostat with external digital LED display for accurate control and easy reading.

- Large fan motors and blades for more efficient air flow ensuring faster temp recovery times.

- Efficient condensate hot gas loop built into condensate pan for energy saving evaporation of excess condensate water.

- Self contained capillary tube system using environmentally friendly R290 Hydrocarbon gas.

- Vaulted self closing doors that remain open at 90 degrees.

- Magnetic door gaskets are removable and replaceable without tools.

- Easy to mount plate casters (2 locking) are standard with all units.
