

30" Air-Cooled Cube 1000 lb Ice Machine

Model: PLM-1029

- **Food-Grade Safety**

The ETL-listed commercial ice machine is crafted from food-grade, corrosion-resistant stainless steel, ensuring a safe and hygienic operation.

- **Intuitive Control & Clear Display**

Our ice machine's user-friendly control panel with real-time monitoring and touch adjustments.

- **Optimal Cleanliness**

A nickel-plated evaporator holds up well to moisture and is non-corrosive. The air filter is easily removable

- **Adjustable legs**

Featuring 4 adjustable legs, this ice machine ensures easy leveling on uneven floors and provides ample space for convenient cleaning underneath.
